

## FSI Interactions of Energy & Matter Assessment Proficiency Sheet

| <b>Topic</b>   | <b># Correct</b> | <b># Incorrect</b> | <b>% Correct</b> |
|--|------------------|--------------------|------------------|
| <b>S8P2.a &amp; b<br/>Kinetic &amp; Potential<br/>Energy<br/>(8 questions)</b> |                  |                    |                  |
| <b>S8P2.c<br/>Energy<br/>Transformations<br/>(8 questions)</b>                 |                  |                    |                  |
| <b>S8P2.d<br/>Thermal Energy<br/>Transfer<br/>(8 questions)</b>                |                  |                    |                  |

1. Which topic(s) am I proficient on according to the data? \_\_\_\_\_

2. Which topic(s) do I need better understanding on according to the data? \_\_\_\_\_

3. What different approach if needed, will I use to better understand the content and material? \_\_\_\_\_

\_\_\_\_\_

4. What different approach (teaching methods, strategies, activities), if needed, should the teacher use to help you better understand the content and material? \_\_\_\_\_

\_\_\_\_\_
