FSI Courses: Empowering Georgia Science Learning

+
o

The Problem

- Fragmented tools for students and teachers

- PD not directly connected to classroom content

- Districts struggle to prove ROI and CCRPI growth

The FSI Integrated Solution

ONE SYSTEM — TWO
AUDIENCES — SHARED
RESULTS

- INTERACTIVE
STUDENT SCIENCE
COURSES (LABS,
GAMES, ASSESSMENTS)

- JOB-EMBEDDED
TEACHER PD LINKED TO
THE SAME STANDARDS

- LIVE DASHBOARDS
CONNECTING TEACHER
FIDELITY TO STUDENT
MASTERY

How It Works

Step 1: Students engage with FSI interactive lessons and labs

Step 2: Teachers receive job-embedded PD while modeling those lessons

Step 3: Schools monitor student & teacher progress on one dashboard

Student Learning Features

- 100% Georgia Standards Aligned

- Gamified labs & real-world activities

- Tiered lessons for developing
→ proficient → distinguished

- Automatic Milestones-style pre/post testing

Teacher Professional Learning Features

- Co-teaching and lab modeling in real classrooms

- Virtual and onsite Milestones test taking prep sessions

- Reflection journals, checklists, and pacing guides

- Immediate classroom application from every PD module

The Secret Sauce

FSI = Engagement + Alignment + Support

- Job-embedded PD linked directly to student outcomes

- Tailored, hands-on learning for auditory, visual, and kinesthetic learners

- Local Georgia focus and unmatched service responsiveness

The Competitive Edge

Category	IXL / HMH	FSI Courses
<i>Standards Alignment</i>	National/Generic	100% Georgia GSE
<i>Student Engagement</i>	Limited	Interactive labs & Games
<i>Teacher PD</i>	Separate/Generic	Embedded & Job-based
<i>CCRPI Impact</i>	Indirect	Directly linked
<i>ROI</i>	Split costs	Single Contract Savings
<i>Milestones & CCRPI ROI</i>	Hit and miss, often unmeasurable	100% of schools/districts have an increase in both

Pricing & ROI Tiers

- One platform, two outcomes, measurable student and teacher growth at half the cost.

FSI Elementary School Bundles

(Bundle offerings can be combined as desired.
Contact us for rural district pricing options.)

Science Courses	Price
3 rd Grade	\$3,000
4 th Grade	\$4,000
5 th Grade EOG	\$8,000
Job-embedded PL's	\$1,000 to \$1500
Workbooks	
4 th Grade Prep	\$30
5 th Grade EOG Prep	\$30
Flashcards	
5 th Grade EOG Prep Flashcards	\$20

Pricing & ROI Tiers

- One platform, two outcomes, measurable student and teacher growth at half the cost.

FSI Middle School Bundles

(Bundle offerings can be combined as desired.
Contact us for rural district pricing options.)

Science Courses	Price
6th Grade	\$4,000
7th Grade	\$5,000
8th Grade	\$10,000
Job-embedded PL's	\$1,000 to \$1500
Workbooks	
8 th Grade EOG Prep	\$30
Flashcards	
8 th Grade EOG Prep Flashcards	\$20

Pricing & ROI Tiers

- One platform, two outcomes, measurable student and teacher growth at half the cost.

FSI High School Bundles

(Bundle offerings can be combined as desired.
Contact us for rural district pricing options.)

Science Courses	Price
Biology	\$10,000
Environmental Science	\$5,000
Job-embedded PL's	\$1,000 to \$1,500
Workbooks	
Cells EOG Prep	\$30
Genetics & Heredity EOG Prep	\$30
Ecology EOG Prep	\$30
Bio UNO by FSI	
Biology Milestones Prep Uno Card Game	\$20 each

Menu of Services

- Job-embedded Professional Learning and Virtual Lesson Modeling

- Workbooks, Flashcards, and eBooks

- Consulting, Custom Curriculum Design, Pacing Guides

Proven Results

- Every school we've partnered with has seen measurable improvement in CCRPI and Milestones readiness.

FSI PARTNERS:

Ready for Solutions?

- When teachers and students grow together, Georgia's future shines brighter.
